A Brief History of South American Metatherians | SpringerLink

A brief overview of the evolution of each major South American lineage ("Ameridelphia", Sparassodonta, Didelphimorphia, Paucituberculata, Microbiotheria, and Polydolopimorphia) is provided. It is argued that due to physiological constraints, metatherian evolution closely followed the conditions imposed by global temperatures. In general terms, during the Paleocene and the early Eocene multiple radiations of metatherian lineages occurred, with many adaptive types exploiting insectivorous

The structure of the living Patagonian flora, dominated by the steppe, is a direct consequence of past climatic and tectonic events. These arid-adapted communities were widespread

### **Brief History South America And Slavery - historyrocket**

South America has a rich history and at the same time the part of history also includes severe exploitation. In 950 AD, people were captured in South Africa and were taken to South America and established a transatlantic slavery pattern.

### **History of South America - Lonely Planet Travel Information**

History Back in the salad days (sometime between 12, 500 and 70, 000 years ago), humans migrated from Asia to Alaska over a land bridge across the Bering Strait and slowly hunted and gathered their way south.

### **History of South America - Wikipedia**

The history of South America is the study of the past, particularly the written record, oral histories, and traditions, passed down from generation to generation on the continent of South America. South America has a history that has a wide range of human cultures and forms of civilization.

### **South America History 3500 BCE - TimeMaps**

South America's history was put on a completely different trajectory with Christopher Columbus discovery of the Americas in the 1490s. In the decades following European contact, disease, enslavement and land seizure destroyed the advanced civilizations of the continent, both in the Andes and the Amazon regions, sending the surviving inhabitants back to a far simpler social organization.
