What is institutional theory? - Higher Ed Professor
Organizational theory proves useful for explaining much
of what happens in higher education. In particular, I find
institutional theory can help provide an explanation for
institutional decisions and activities.

Institutional theory - Wikipedia

Institutional theory is a theory on the deeper and more resilient aspects of social structure. It considers the processes by which structures, including schemes, rules, norms, and routines, become established as authoritative guidelines for social behavior. Different components of institutional theory explain how these elements are created

Institutional theory - Wikipedia

Institutional theory is a theory on the deeper and more resilient aspects of social structure. It considers the processes by which structures, including schemes, rules, norms, and routines, become established as authoritative guidelines for social behavior. [1]

Institutional theory - IS Theory - Theorize it

Institutional theory attends to the deeper and more resilient aspects of social structure. It considers the processes by which structures, including schemas, rules, norms, and routines, become established as authoritative guidelines for social behavior. It inquires into how these elements are created, diffused, adopted, and adapted over space and time; and how they fall into decline and disuse
