This essay plots the historical course of the concept of "humanism" as it developed in the Western tradition. Combining analysis with concrete historical research, it compares and contrasts the concept's meanings, discussing the term in modernity and in the Renaissance, down to its early appearances in Cicero's texts.

(PDF) From Cultural Third-Worldism to the Literary World ...

In his article "From Cultural Third-Worldism to the Literary World-System" Jernej Habjan links the debate on Franco Moretti's distant reading to the debate on Fredric Jameson's "third world culture."
