Role In Us ...

Think tanks and their researchers provide much needed
explanation of foreign policy. Many US Presidents have
consulted think tanks for policy advice and for ideological
coherence. Indeed, the American Presidents have
employed experts from think tanks to serve in senior
positions in their government. Policy-makers look for
advice to think tanks and their scholars resulting from the

Think tank directors often credit their institutes with
influencing major policy debates and government
legislation and many journalists and scholars believe the
explosion of think tanks in the latter part of the twentieth
century indicates their growing importance in the policy-
making process. Abelson goes beyond assumptions,
identifying the influence and relevance of public policy
institutes
