Elite Dangerous changes this by making exploration a central part of the game, including its own ranking system (alongside combat and trading). How Exploring Works
Exploration in Elite Dangerous is a deliberate and concentrated effort - it is not just a race to jump into a system before anyone else and quickly run a scan to claim the system.

If I would go exploring for real on a really long ways, I would do it for acquiring Elite rank only and for sure I would use some of more prettier ships (i.e. Clipper). And screenshots made with Gutamaya ships are quite astonishing. Here are some I made while exploring for a while in order to help minor faction to stay in power in the system:
