[How to Get Forklift Certification: License Requirements ...](#)

For everyone who wants to get their forklift certification, you're almost certainly asking how you do it. Of course, the exact requirements vary a bit (or sometimes a lot) depending on what country you're in, but today, I'll be focusing on the United States of America.

[How to Get a Forklift Operator OSHA Certified: 6 Steps](#)

You can go to any certified and registered forklift training center if you are simply looking to get a licence. However, if you are looking for more training on other forklifts, you may want to look around at what other training organizations have to offer. The basic forklift training organizations will usually only train on electric, propane and gas counterbalance forklifts. Other, more specialized training organizations can offer additional training on other machines, such as
