Ultimate Beginner's Guide to Bead Crochet | Red Heart

In bead crochet, you string beads on to yarn before beginning the project. As you crochet, you slide the beads close to your hook when you want to use them. Beads are secured in place with a stitch, usually a slip stitch or a single crochet stitch. Most bead crochet projects combine elements of crochet detail with beadwork. However, there are types of bead crochet that show very little crochet work and emphasize only the beads; see the "advanced" section at the end of this post for more.
