**The Peplaus Interpersonal Relationship Theory
Nursing Essay**

Peplau (1992) theory of interpersonal relations provides a conceptual framework by which the nurse can assess, plan, and intervene for optimal outcomes for the patient. The foundation of her theory explores the primacy of the nurse-patient relationship (Forchuck, 1991; Peplau, 1997).

Theories of Interpersonal Relationship

Interpersonal relationship refers to a strong association amongst individuals with similar tastes, aspirations and interests in life. It is essential for individuals to share a healthy relationship with each other not only for quicker delivery of results but also for a positive ambience at the workplace.
