My L130 has started to slow. I have researched the problem and it sounds like 200 hours and that is it. Mine has 195. When I bought this I knew it wasn't top quality, but since then I bought a 3032e to mow the rougher areas and for the last couple years the L130 just mowed my yard.

[John Deere Lawn Tractor L130 - dying hydrostatic drive ...](#)

Two years ago, about 2 years after purchasing the new L130, I noticed the same problem, resulting in the John Deere agency replacing the hydrostatic transmission under warranty. I expressed my concern at the time that the same fault may happen again, with us having to foot the out-of-warranty bill next time.
