Hay Equipment - Massey Ferguson

Hay Equipment Massey Ferguson conventional, round and big square balers engineered to last and designed to get the maximum material in each package for easier handling, storage and use. The latest technology allows operators to easily monitor and record harvest data.

MF TD Series - Massey Ferguson

As with all Massey Ferguson hay tedders, the forage is picked up by the tines and turned gently, without damage. A light, loose and well mixed mat of forage is created, to help ensure a top-quality end-product. With the central edge spreading device which is fitted as standard, edges of fields no longer present any problems. It's all high quality forage down to the last blade of grass.
