[What Is Minimalism? | The Minimalists](#)

So what is this minimalism thing? It's quite simple: to be a minimalist you must live with less than 100 things, you can't own a car or a home or a television, you can't have a career, you must live in exotic hard-to-pronounce places all over the world, you must start a blog, you can't have children. []

[Becoming Minimalist - Official Site](#)

Minimalism is the intentional promotion of the things we most value and the removal of anything that distracts us from it. It requires a conscious decision because it is a countercultural lifestyle that stands against the culture of overconsumption.

[Minimalism - Wikipedia](#)

In visual arts, music, and other mediums, minimalism is an art movement that began in post World War II Western art, most strongly with American visual arts in the 1960s and early 1970s.

[Why Minimalism is a Better Way of Life - Design a Simple Life](#)

The word minimalism has a negative connotation to many. They believe being a minimalist means you are sacrificing things. It means you are not taking advantage of all that is available in the modern world today. While that may be the perception some have, if they took the time to learn about what

[The Minimalists - Official Site](#)

The Minimalists Podcast is taking the month off, but we recorded four experimental episodes for our private podcast, including discussions about happiness and depression, products and branding, and The Life-Tidying Magic of Gentrification.
