Type physicalism - Wikipedia

Type physicalism (also known as reductive materialism, type identity theory, mind brain identity theory and identity theory of mind) is a physicalist theory, in the philosophy of mind.

Physicalism - By Branch / Doctrine - The Basics of Philosophy

Physicalism (also known as Materialistic Monism - see the sections on Materialism and Monism) is the philosophical position that everything which exists is no more extensive than its physical properties, and that the only existing substance is physical.

Physicalism | Psychology Wiki | FANDOM powered by Wikia

Physicalism is the metaphysical position (associated particularly with Quine) that everything is physical; that is, that there are no kinds of things other than physical things. Likewise, physicalism about the mental is a position in philosophy of mind which holds that the mind is a physical thing in some sense. This position is also called "materialism", but the term "physicalism" is
