Chinese Proverbs showing the wisdom of planning ahead

The modern Chinese characters are followed by the proverb in pinyin. Next, there is a crude character by character transliteration into English, followed by a more accurate English translation. If this is a Chinese proverb alluding to history the meaning may still not be clear in English, so the general meaning follows. Finally some proverbs have fairly direct English equivalents, if so the Preschool Chinese New Year Theme

This Preschool Chinese New Year Theme page is filled with preschool lesson plans, activities and ideas for all areas of your classroom. Let the Theme Planning Begin! You can either scroll down through this page to see all of the preschool lesson plans for this theme.

Advance Care Planning - Province of British Columbia

Advance care planning begins by thinking about your beliefs, values and wishes regarding future health care treatment. It is about having conversations with your close family, friends and health care provider(s) so that they know the health care treatment you would agree to, or refuse, if you become incapable of expressing your own

decisions.
