TP 100 PTO is a compact and strong drum wood chipper with high capacity. Particularly useful in confined spaces and when the tractor power is below 40 hp. For daily maintenance in for instance parks, cemeteries, golf courses and housing associations.

[Power take-off - Wikipedia](#)

A power take-off or power takeoff (PTO) is any of several methods for taking power from a power source, such as a running engine, and transmitting it to an application such as an attached implement or separate machines. Most commonly, it is a splined drive shaft installed on a tractor or truck allowing implements with mating fittings to be powered directly by the engine. Semi-permanently.
