Bounce the rubber band ball around the office to have some simple fun, while maintaining organization. Rubber band balls are perfect for young students who want a portable organizer that doesn't require a lot of space.

### Rubber band - Wikipedia

A rubber band ball is a sphere of rubber bands made by using a knotted single band as a starting point and then wrapping rubber bands around the center until the desired size is achieved. The ball is usually made from 100% rubber bands, but some instructions call for using a marble [19] or a ping-pong ball [20] as a starting point.
