(ANTALYA, Turkey) World leaders vowed a vigorous response to the Islamic State group's terror spree in Paris as they opened a two-day

State Terror and Terrorism - state crime

State crime frequently masquerades as counter terrorism. Counter terrorism encompasses laws, police, security, and military powers and measures directed at what states determine are terrorist threats. Terrorism is notoriously difficult to define and its definitions selectively applied.

The difficulties of defining terrorism, combined with the ease with which states apply the label, means that

Is State Terrorism Different Than Terrorism? - ThoughtCo

State terrorism is a terrifically slippery concept in large part because states themselves have the power to operationally define it. Unlike non-state groups, states have legislative power to say what terrorism is and establish the consequences of the definition; they have force at their disposal; and they can lay claim to the legitimate use of violence in many ways that civilians cannot, on a
