### ICT Strategy 2015 | ICT.govt.nz

The Government ICT Strategy and Action Plan to 2017 was approved by Cabinet in June 2013. The Government ICT Strategy was revised in 2015 to ensure that, in a dynamic technology environment, it can achieve the government's aim of an ICT-enabled transformation of public services to New Zealanders.

### INFORMATION TECHNOLOGY Strategic Plan - usask.ca

The strategic plan will also be influenced by the goals and operating plans of the university vice presidents. A number of significant changes introduced recently in ICT help to facilitate and support new strategic directions.

### Strategic ICT Planning in Pathology | Markus Belkin | Springer

There is little doubt that information technology is a major force in transforming healthcare systems: physicians need to have considerable patient data at hand, even if diagnosis and treatment are relatively straightforward. But data are only as useful as ICT information communication
