[THE CAUSES OF WARS](#), Michael Howard / No one can

describe the topic that I have chosen to discuss' as a neglected and understudied one. How much ink has been spilled about it, how many library shelves have been filled with works on the subject, since the days of Thucydides! How many scholars from how many specialties have applied their expertise to this intractable problem!

Mathematicians

**What causes wars? - International Association for ...**

This is why Waltz describes international anarchy as a permissive or underlying cause of war . So, for Waltz, international anarchy explains both why wars ultimately may occur and why there are limits on cooperation among states in the international system. Without a leader to punish a hunter who defected from the stag hunt or an international government to punish a rogue state
