[The effect of Immunological and Non-Immunological Factors ...](#)

The objective of this thesis was to study factors influencing corneal graft survival. These factors can be classified as non-immunological or immunological.

[The effect of immunological and non-immunological factors ...](#)

At the present time, corneal graft rejection due to immunological factors is the ultimate determinant of corneal graft survival. Of the immunological factors which may influence corneal graft survival, we have studied the effect of the major histocompatibility complex (MHC) and the ABO blood group system.
