As the now commonly recommended study of clinical epidemiology is meant to be preparation for practice of EBM, it is important, for everyone concerned, to understand that EBM is a cult

Up from Clinical Epidemiology & EBM | SpringerLink  
Abstract. As the now commonly recommended study of clinical epidemiology is meant to be preparation for practice of EBM, it is important, for everyone concerned, to understand that EBM is a cult movement, one whose founding doctrine is diametrically antithetical to the progress-promoting essence of modernity.
