### How To Write a Business Plan | Small Business BC

Many entrepreneurs write a business plan only when they need to secure start-up financing. However, your plan is far more than a document for banks and investors to read; it's an invaluable roadmap for launching and growing your business.

### How to Write a Business Plan for a Small Business: 14 Steps

To write a business plan for a small business, start by writing an executive summary that briefly outlines your business. Follow that with a company description that explains your business in more detail. You'll also want to include sections on your target customers, how your business will be structured, and what products or services you will offer. Finally, conclude your business plan with a section on your marketing strategy and also a funding request for potential investors.
